

KDSA CLUB CIRCULAR

10/10

30th March 2010

To All Club Secretaries

MATCH CARD REQUIREMENTS 2010

All competition-age players must be correctly registered in the Calford Green system to be eligible to play. This means registered AND placed in a team. There is no amnesty period for this.

Players must be registered before midnight on the Friday before the game in order to receive an ID number. They will only receive an ID number once they have been placed in a team.

All competition players must have a photograph loaded onto the Calford Green system by 30th April 2010. All Men's All Age, Over 35 & Over 45 players must also have a photo ID card by this date. All other competitions (WAA, W35, Girls U12-18, Junior Mixed U12-18) are not using individual photo ID cards this year - team managers are required to print Team ID Sheets (which will include photos) from the Teammanagers section of their club's Player Admin System.

Late registrations have 14 days to load photos onto Calford Green system and request a photo ID card if required.

Shirt numbers must be written on the match card. This indicates that a player has participated in the match.

All player ID numbers must be recorded from game one. There is no amnesty on this requirement.
