RUBBISH AT GROUNDS

Members,

Please be aware we are receiving regular complaints regarding rubbish being left at grounds following games.

The rubbish includes electrical tape, strapping material and general rubbish.

Council also reports:

“With the recent wet weather we have had a number of plumbing blockages at amenities buildings. Can the message go out to teams to clean boots outside the change-rooms and to sweep any mud out rooms rather than hosing it down drains.”

Please remind all teams that rubbish is to be placed in any bins provided, or in the case where there are no bins provided, the rubbish is to be taken home, **NOT** left at the ground.

John Ceccato
General Manager
