KDSA CLUB CIRCULAR

Insurance Claims - QBE - Player Injury

MEMBERS,

From receipt of this circular claim forms (original document) are to be sent to the KDSA office for signing .The reason we are doing same is to keep an accurate log of claims made.

As most you would know from our Presidents meeting last week KDSA management and clubs for many years have been dissatisfied with the FNSW insurance arrangement and we are looking at various alternatives, because of this we need accurate data in relation to claims made.

Once we sign the form we will return it to your member so they can lodge it with QBE.

Your assistance is appreciated.

Many thanks

John Ceccato
